Getting Started Workshops via Zoom

For teachers, administrators, and counselors planning or supporting
Get Focused...Stay Focused!® (GFSF) efforts.

Options are available to help your team get ready for 2021-2022:

- ✓ Three-Hour **OVERVIEW** Workshop
- ✓ Six-Hour **HANDS-ON** Workshop
- ✓ Two-Hour Workshop for **EXPERIENCED** GFSF Instructors

Or request a customized online workshop designed specifically for your team!

These high-value, low-cost online workshops are just the ticket to get your team ready for a summer or fall implementation of a "Get Focused" course using the Career Choices series curriculum.

Attendees will leave ready to:

- ◆ Successfully adapt the *Career Choices* series to meet your classroom goals and time constraints.
- ◆ Implement practical and proven instructional strategies—whether your course is instructor-led or self-directed.
- ◆ Integrate academics with career and life planning to support student growth and make up for lost learning time.
- ◆ Implement a classroom-based comprehensive guidance experience to address the social and emotional health of your students.
- ◆ Bolster the counseling team's efforts with student online 10-year plans that can be used for advising and academic coaching.
- ◆ Motivate students to take ownership of their education and reengage, reinvigorate, and refocus them on high school/postsecondary completion.
- ◆ Help students develop a long-range vision and plan that will result in a successful transition to high school, postsecondary education or training, career, and self-sufficient adulthood.
