

The Get Focused Stay Focused National Resource Center is poised to help you expand DEI in your school with a brand new professional development opportunity!

# Expanding Discussions of **Diversity, Equity,** and **Inclusion** in Career Planning

In this two-hour virtual workshop with a private pre-assessment, you will:

only **\$99** per person

- ✓ Reflect on your own beliefs around diversity, equity, and inclusion
- ✓ Examine how diversity, equity, and inclusion impact student career thinking and decision-making
- ✓ Develop strategies your students can use to push back on limiting and negative beliefs

And you will leave this training with:

- ✓ Ideas and strategies to help you launch meaningful discussions around DEI and career decision-making
- ✓ A crosswalk of the curriculum including activities and strategies to build on existing opportunities for DEI discussions
- ✓ Additional DEI activities/resources to use with your students
