

The Key to *High School & College Completion*

How to Launch a Freshman Transition Course
that Helps Students Build the
Intrinsic Motivation to Succeed

"This program is life altering, not only for students, but should be for all stakeholders. Thank you!"

Scott Walker, Assistant Principal
Foothill High School, Henderson, NV

"Very exciting—creates a whole new approach to serve students more effectively."

Letta Hlavacheck, Counselor
College of Marin, Kentfield, CA

"Career Choices motivates all students to take ownership of their learning and achievement."

Debbie Steen, Principal
E.A. Cox Middle School, Columbia, TN

Discover a curriculum that:

- ✓ Addresses the Standards for a Freshman Transition Course from George Washington University's Freshman Transition Initiative*
- ✓ Is the foundation for the *Get Focused...Stay Focused!*™ Initiative's innovative Progression in Education Model (PEM) for college and career readiness**

You'll learn:

- ✦ Why the freshman year—for both 9th-grade and college-age students—is a critical time for impacting college or postsecondary completion rates
- ✦ How the *Career Choices* series curriculum helps entering freshmen develop an online 10-year career and education plan that is quantitative and meaningful
- ✦ Strategies for using each student's 10-year plan throughout high school and/or college for advisory functions and academic coaching
- ✦ About a structured, school-wide program that ensures students are college and career ready
- ✦ Best Practices from schools experiencing success with the process
